

**Abordare interdisciplinară în tratamentul
anodonției parțiale maxilare cu ajutorul
chirurgiei implantologice ghidate -
prezentare de caz**

**Interdisciplinary approach and guided
implant surgery for the treatment of
maxillary partial anodontia - case report**

Date generale/ Diagnostic inițial

Miscellaneous data/ Initial diagnosis

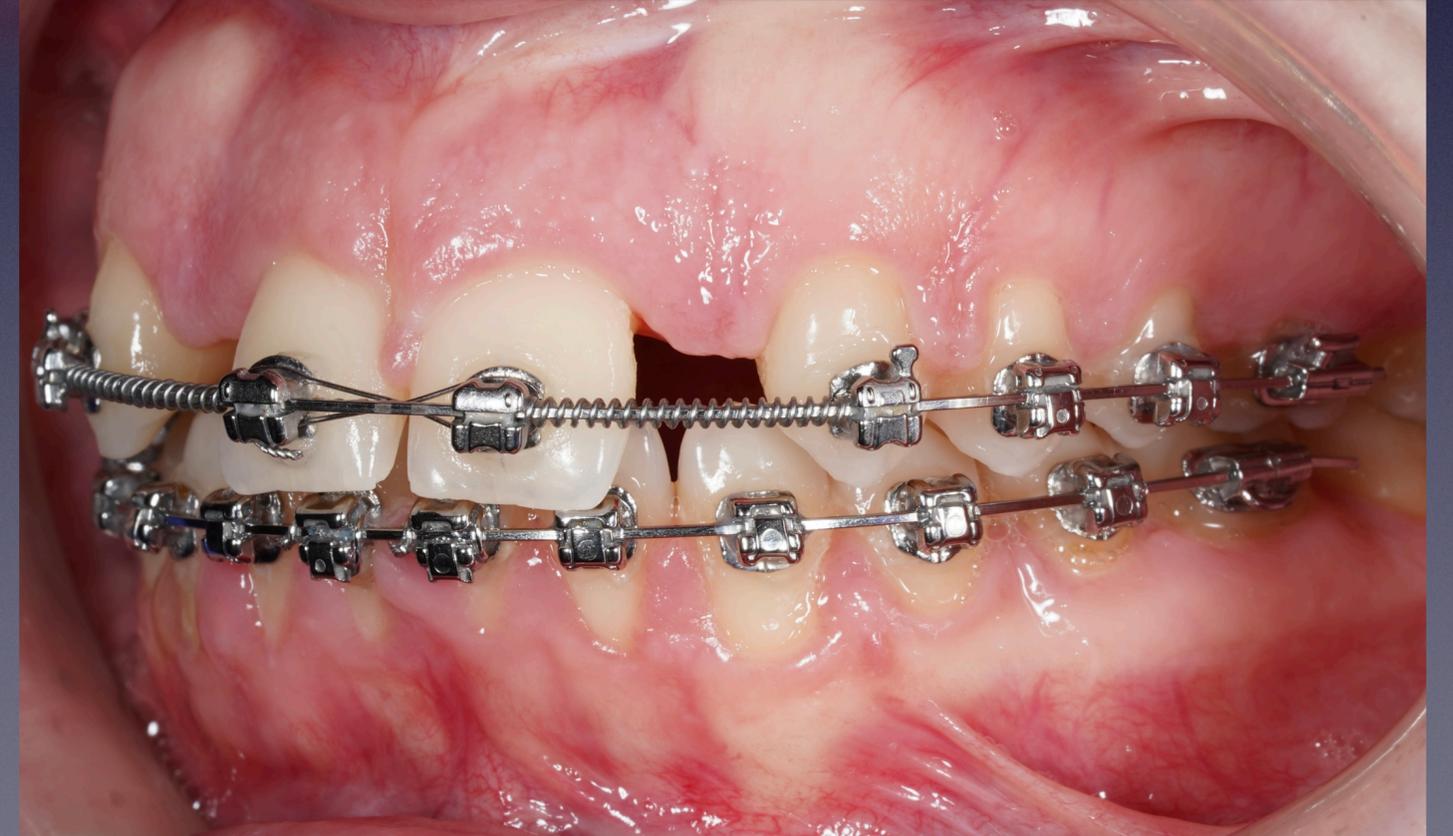

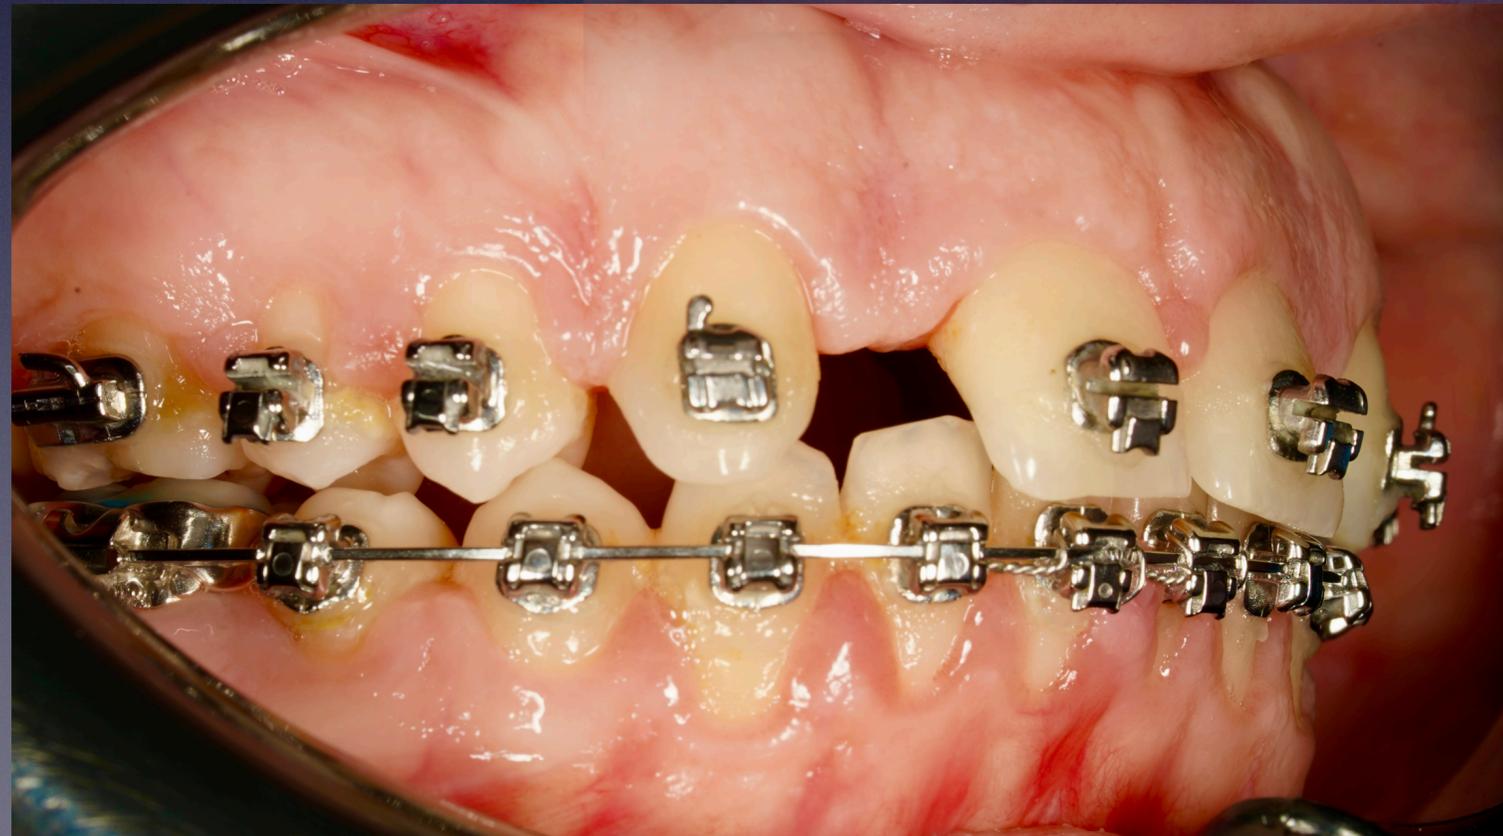

- Pacientă în vârstă de 22 ani
- Anodonție bilaterală 1.2, .22
- Clasa a II-a Angle
- Lipsa ghidajului anterior
- 22 year old patient
- Bilateral anodontia 1.2, 2.2 (FDI)
- Class II Angle
- Missing anterior guidance

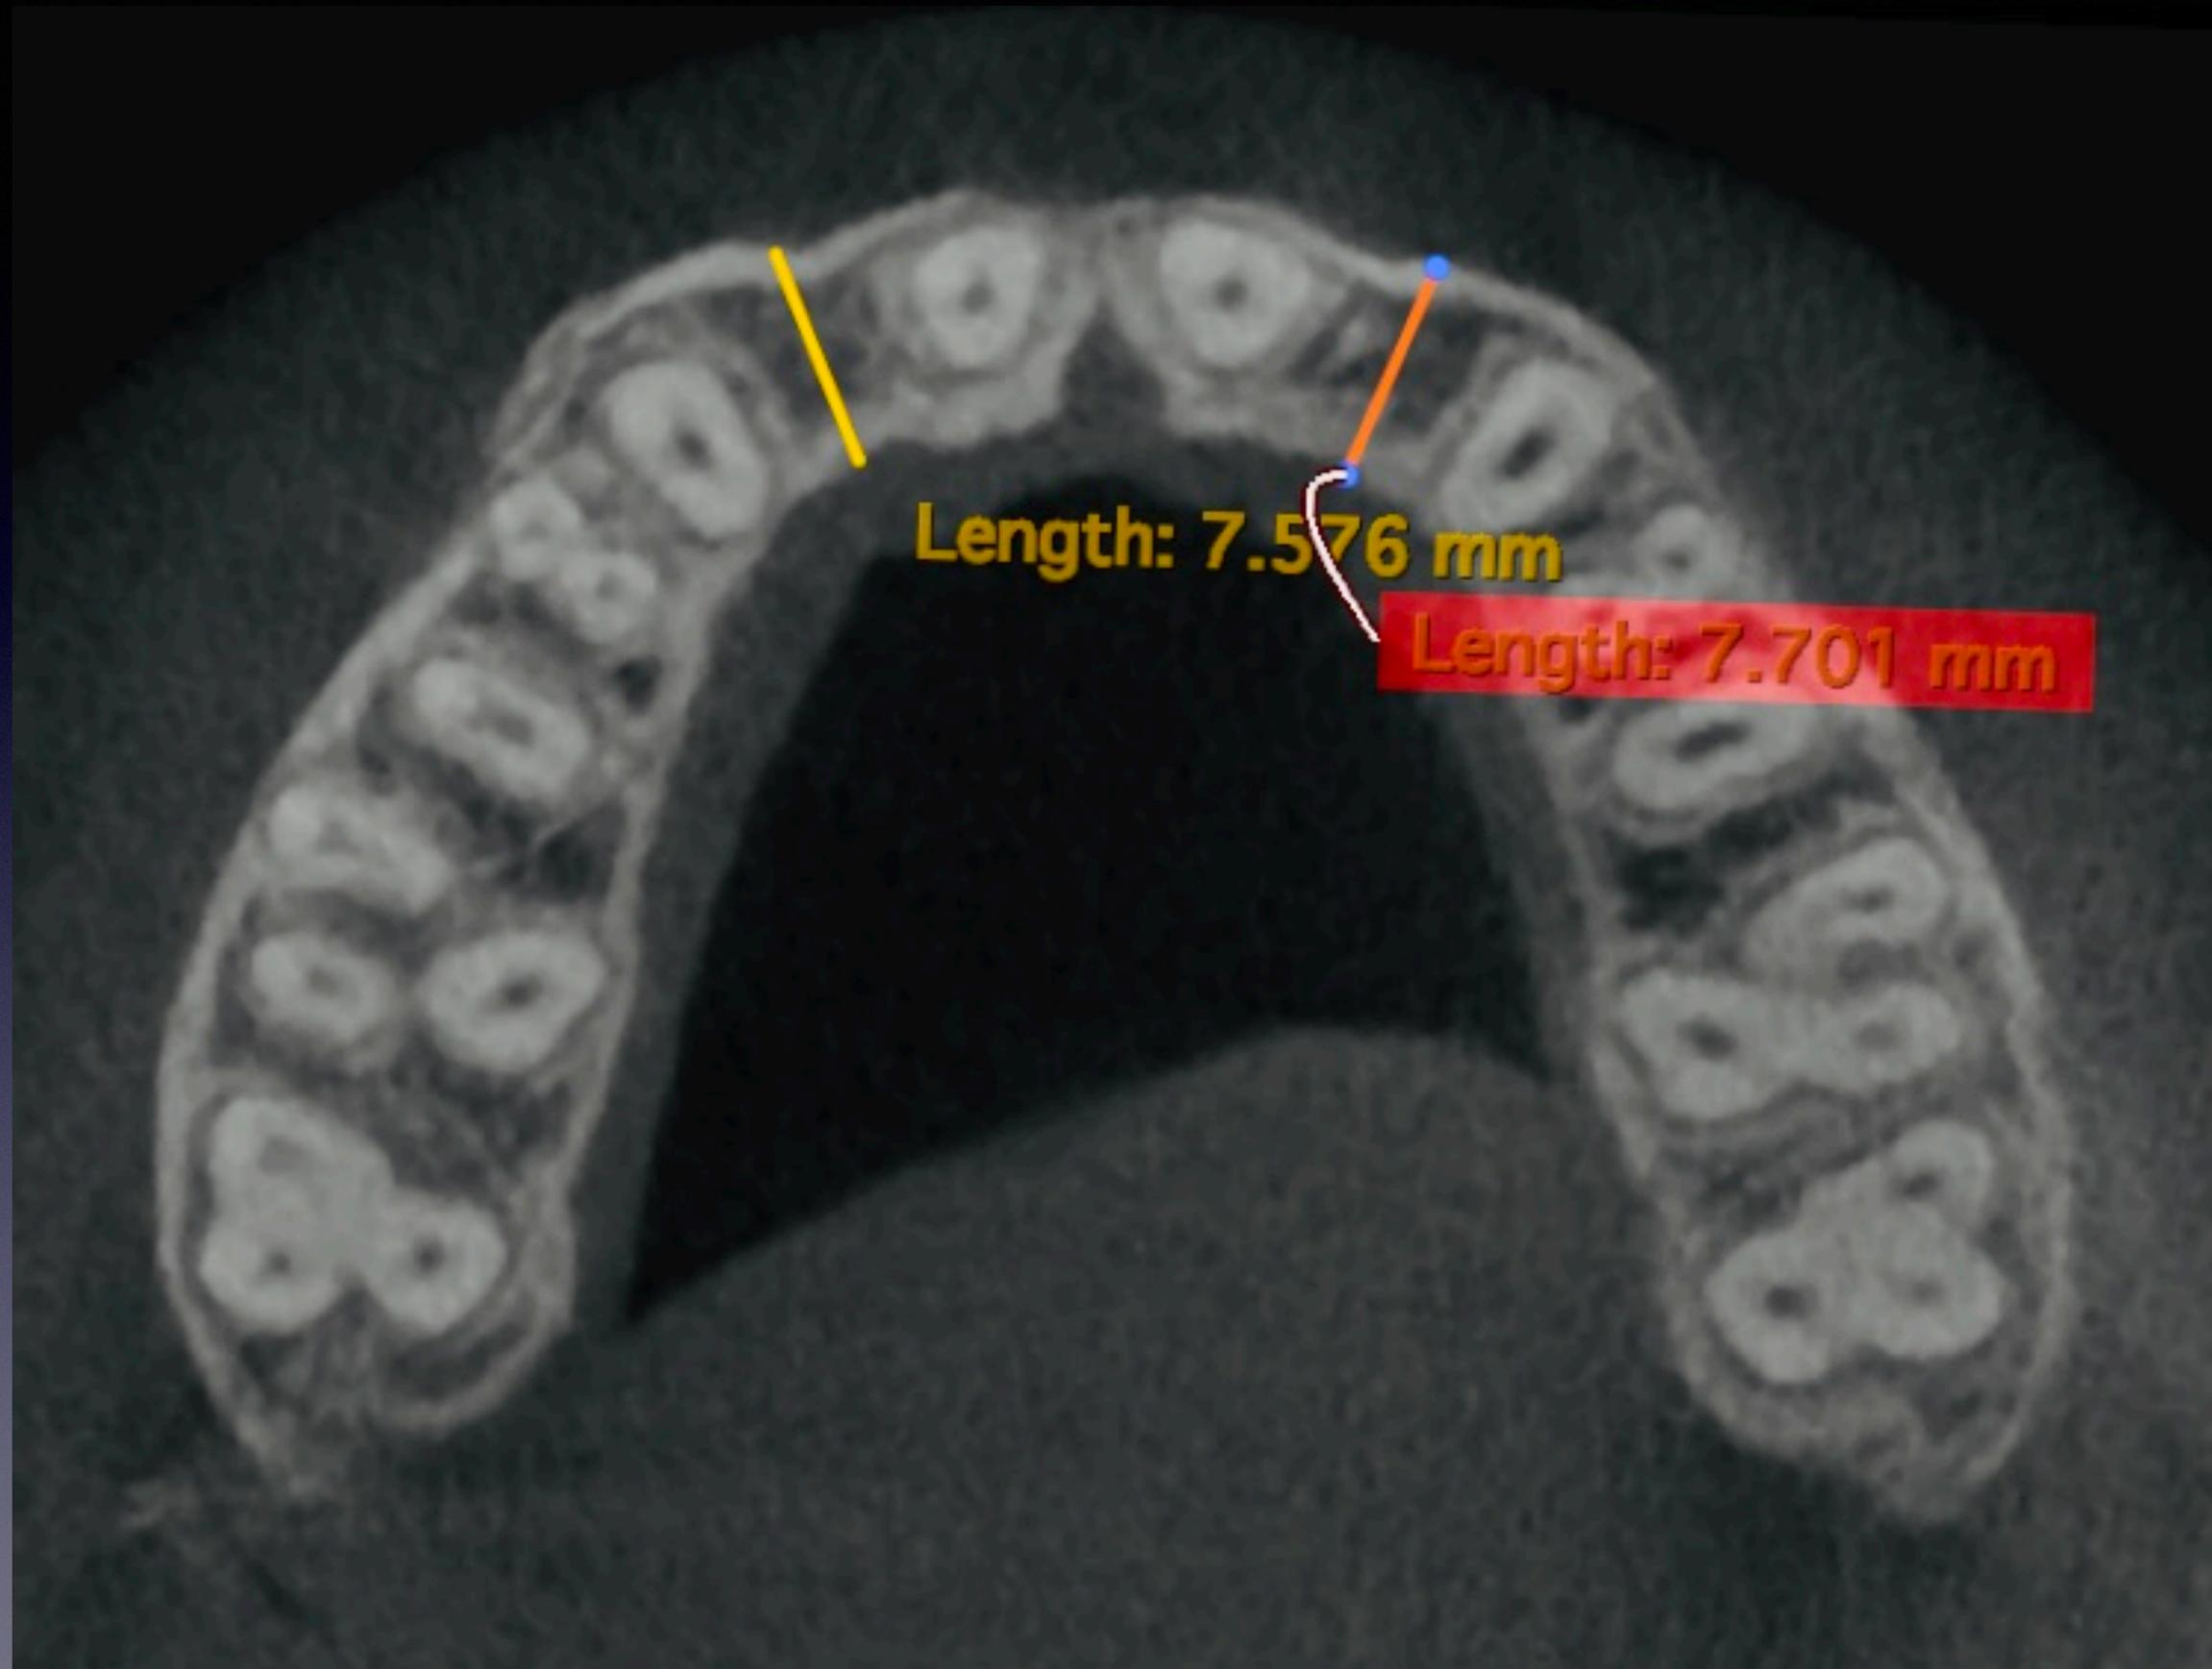

Plan de tratament / Treatment plan

1. Documentare fotografică
2. CBCT pre/ post-op
3. Menținerea spațiului ptr cei 2 ILS
4. Corectarea incongruențelor /Aplicare ortoimplanturi
5. Scanare
6. Efectuare planificare digitală
7. Intervenția chirurgicală/ corectări
8. Restaurări provizorii imediate
9. Îndepărtare aparat ortodontic
10. Realizarea restaurărilor definitive

1. Photographic documents
2. CBCT before/ after surgery
3. Maintaing space for the laterals
4. Correction of incongruences / TAD
5. Scanning
6. Digital planning
7. Surgery phase/ corrections
8. Immediate provisionals
9. Removal of orthodontic appliance
10. Definitive restorations

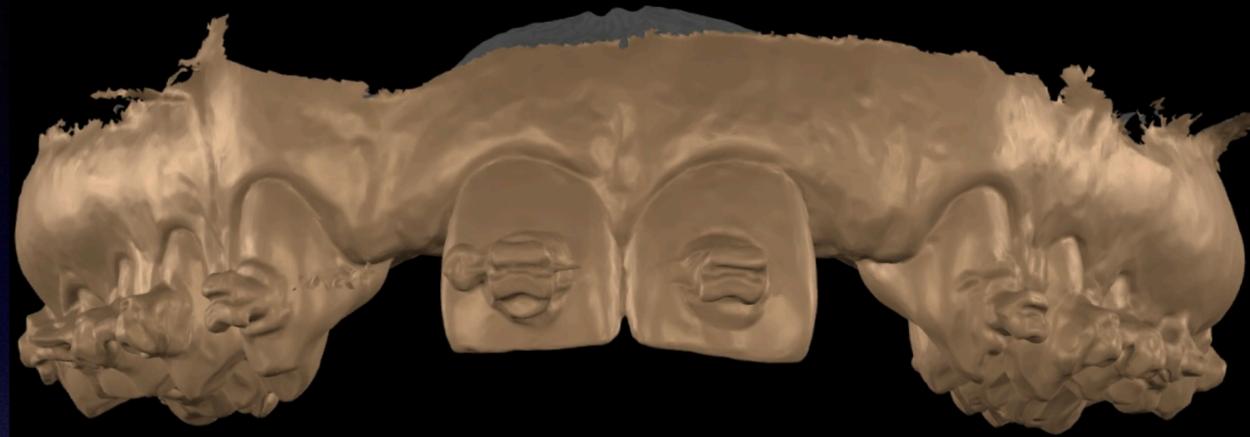

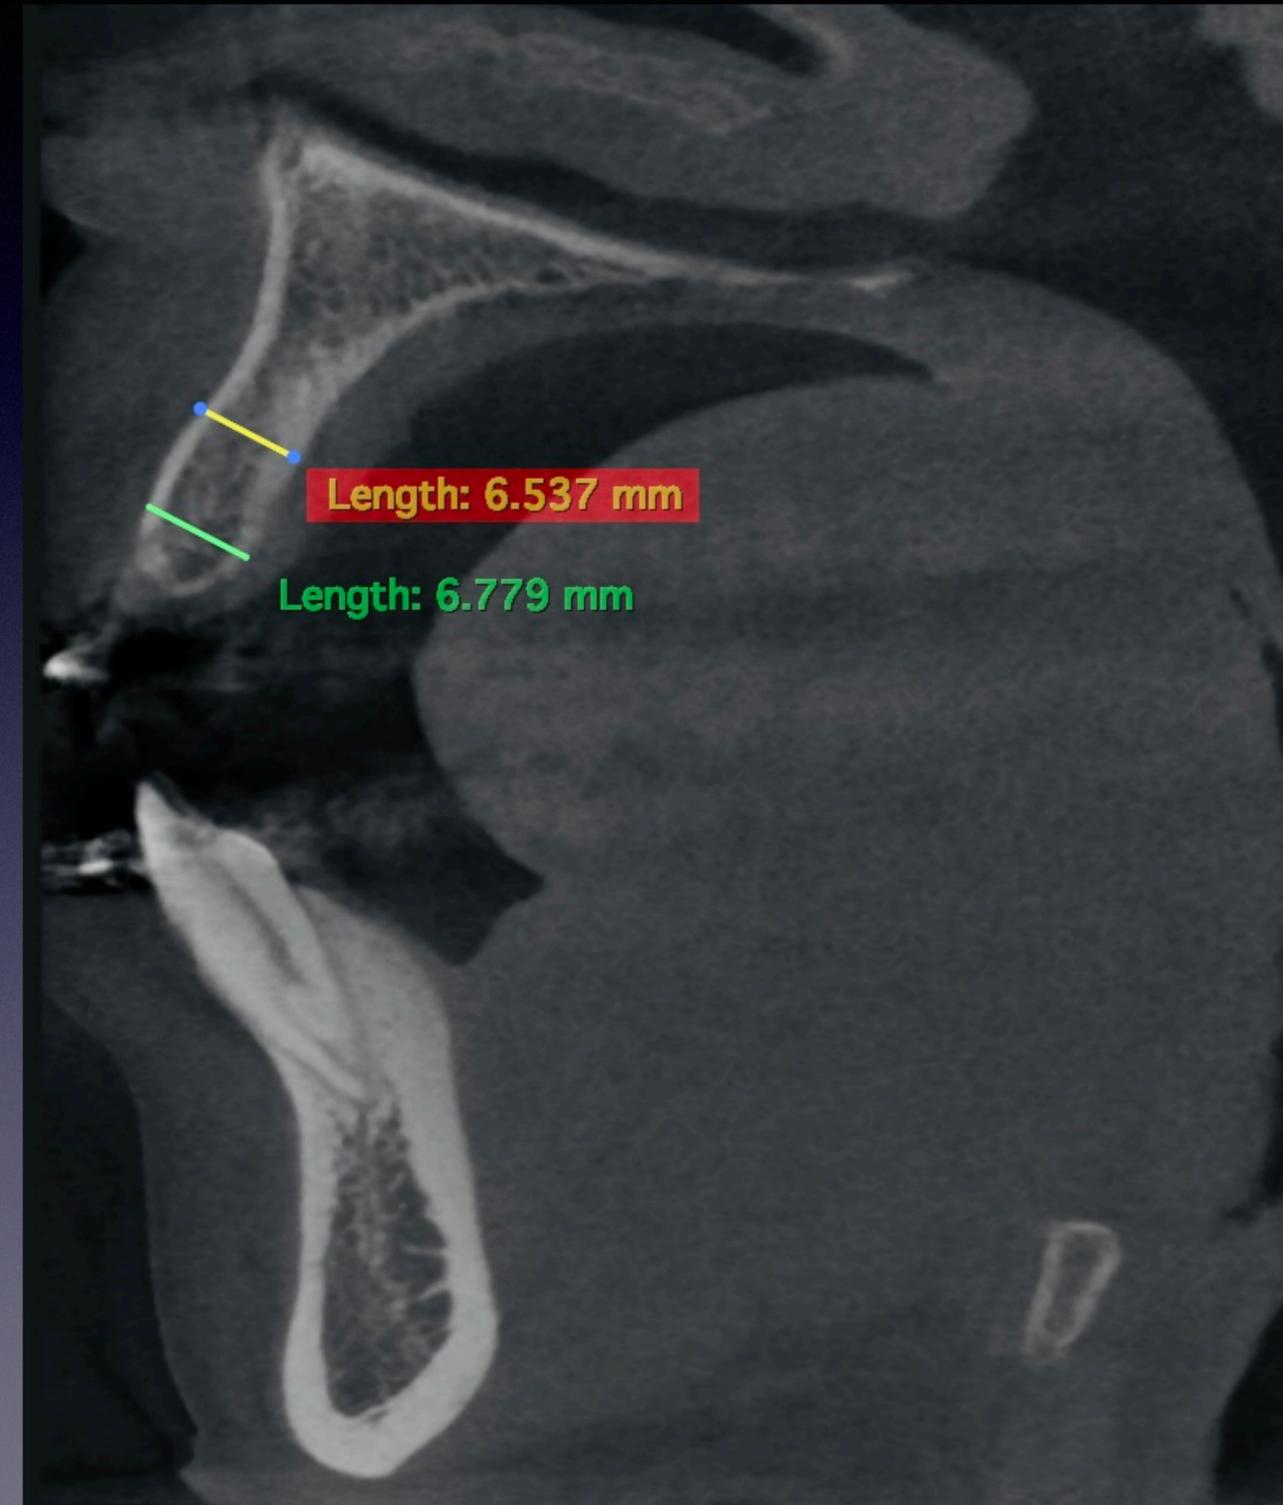

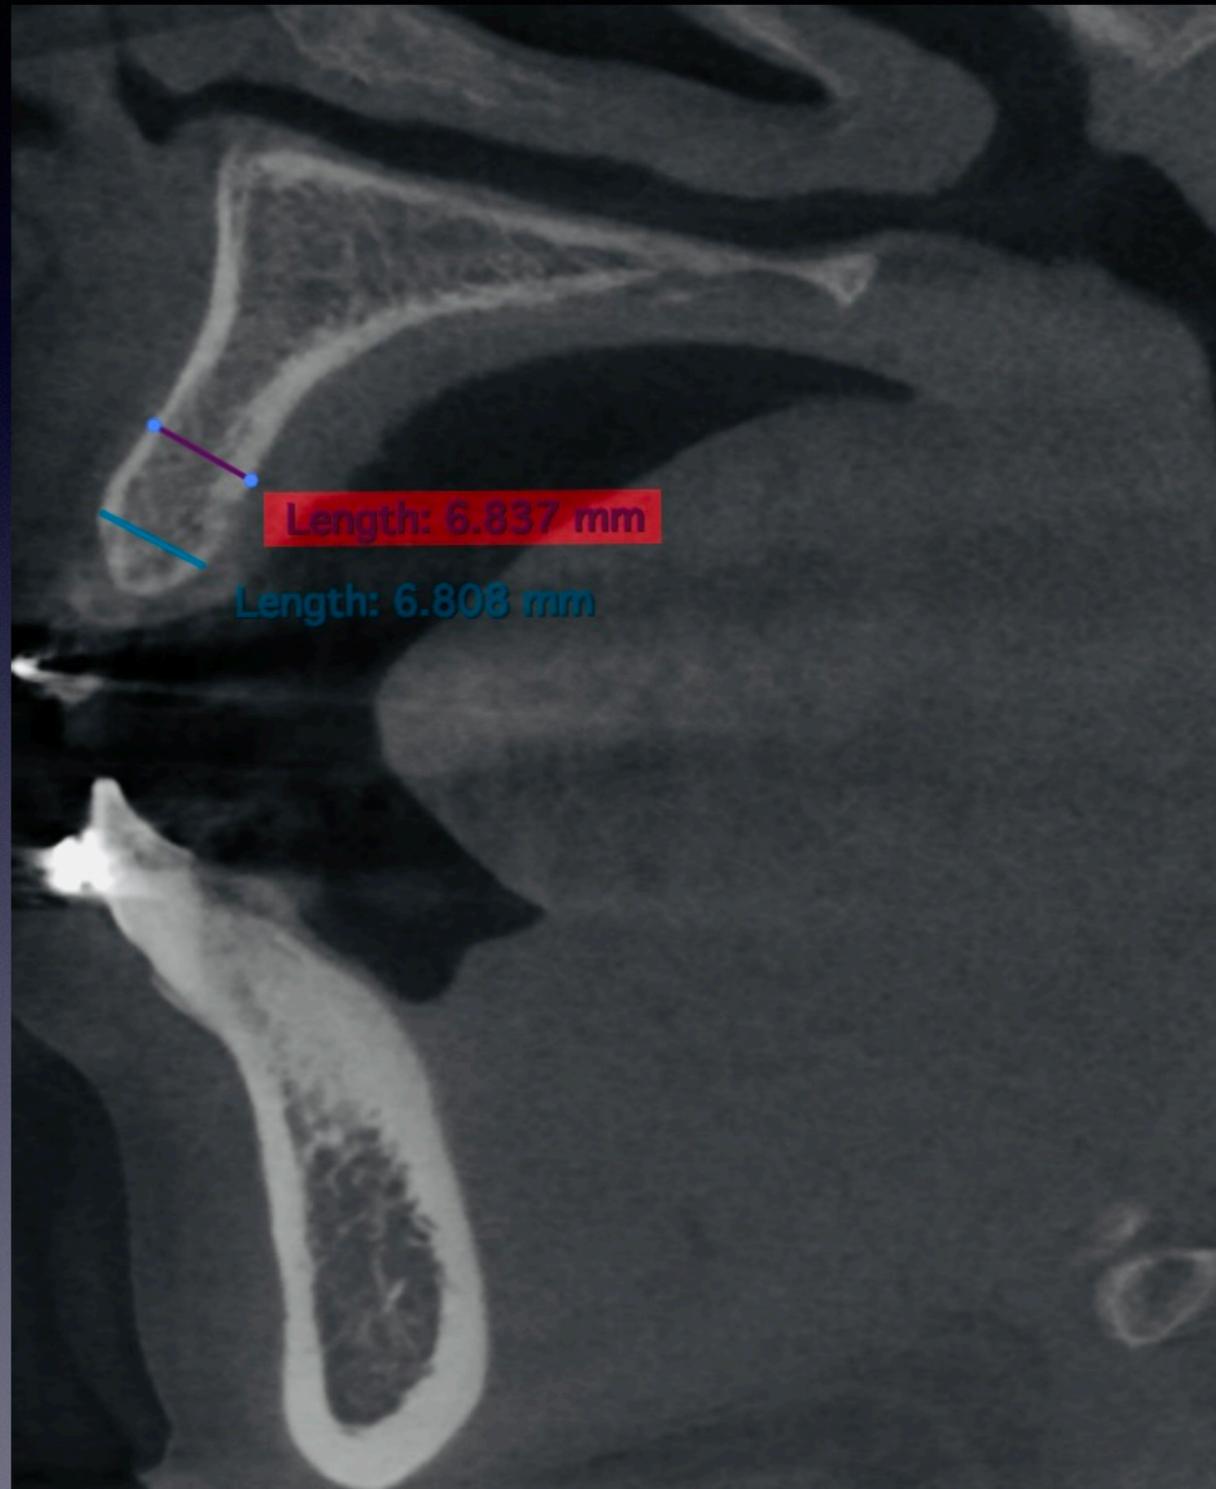

După 1 an / After 1 year...

Scanare IO / Intraoral scanning

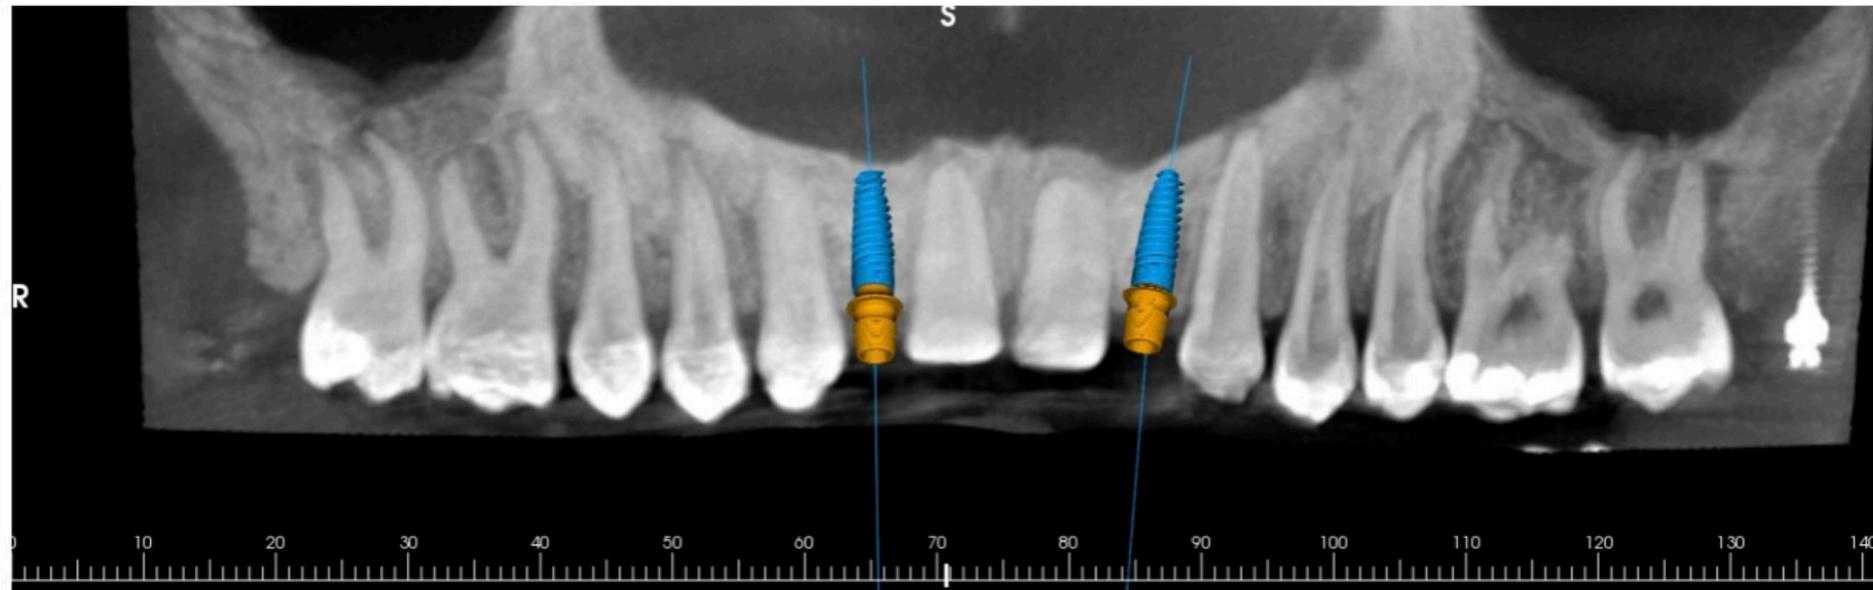

CBCT pre-op / CBCT before surgery

Planificarea digitală a intervenției / Digital planning of intervention

Planning scheme: Implants

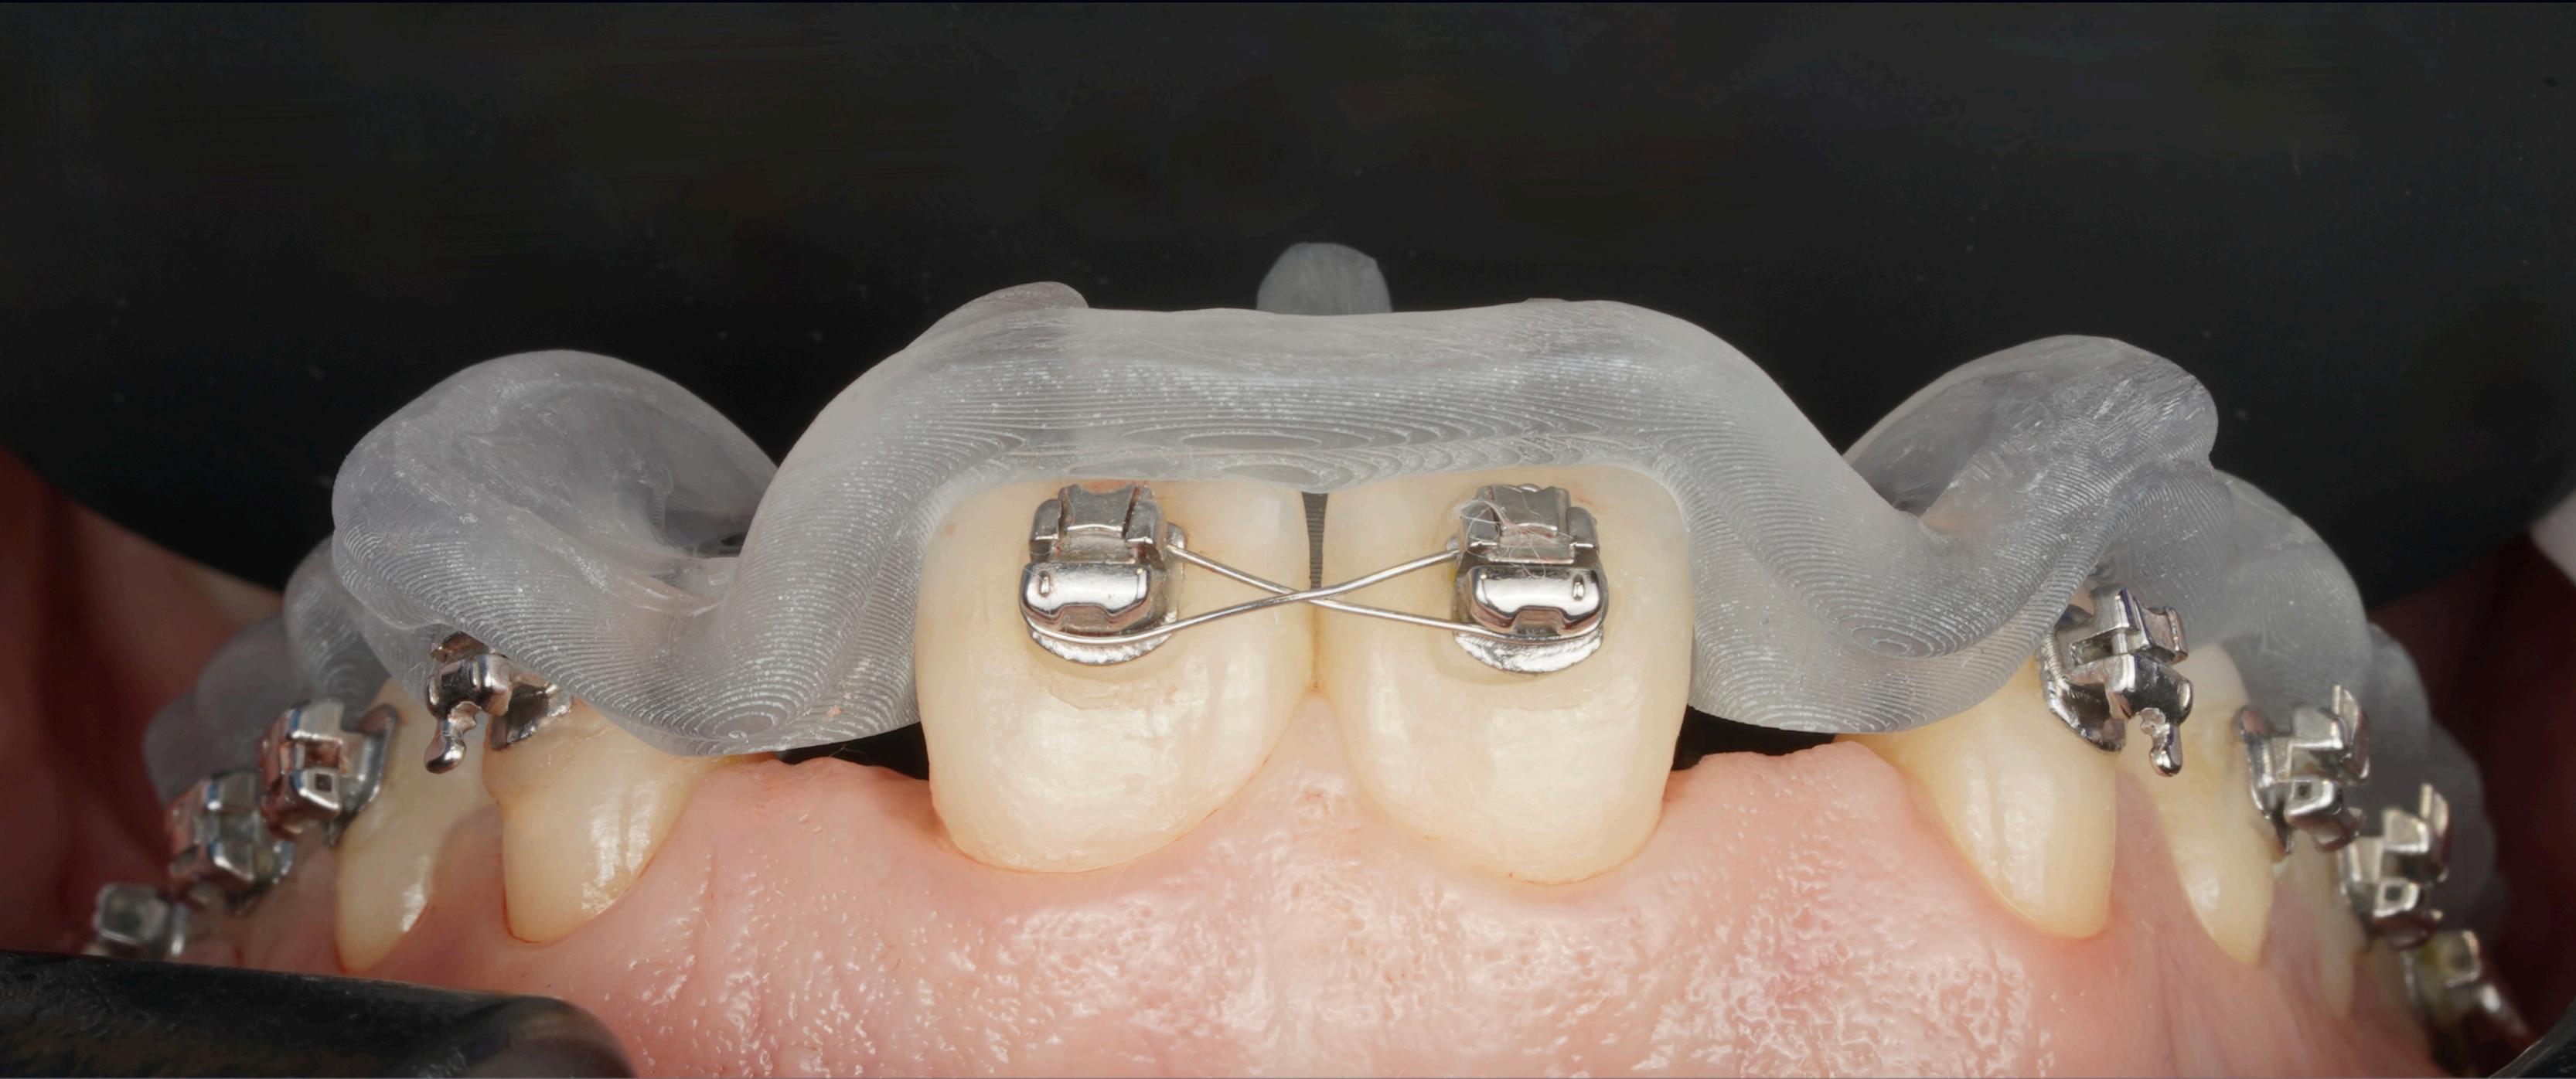

Position	Manufacturer	Model	Size	Abutment	Abutment size
12	MIS	V3	3.3 x 10 mm [V3-10330]	Conical - T-Base Anti Rot	NP D 4.2 mm, H 1.5 mm V3 [VN-TB015]
22	MIS	V3	3.3 x 10 mm [V3-10330]	Conical - T-Base Anti Rot	NP D 4.2 mm, H 0.5 mm V3 [VN-TB001]

33	MIS	V3	[V3-10330] 3.3 x 10 mm	Conical - T-Base Anti Rot	[VN-TB001] mm V3
----	-----	----	---------------------------	---------------------------	---------------------

Ghid chirurgical, ghid protetic / Surgical guide, prosthetic guide

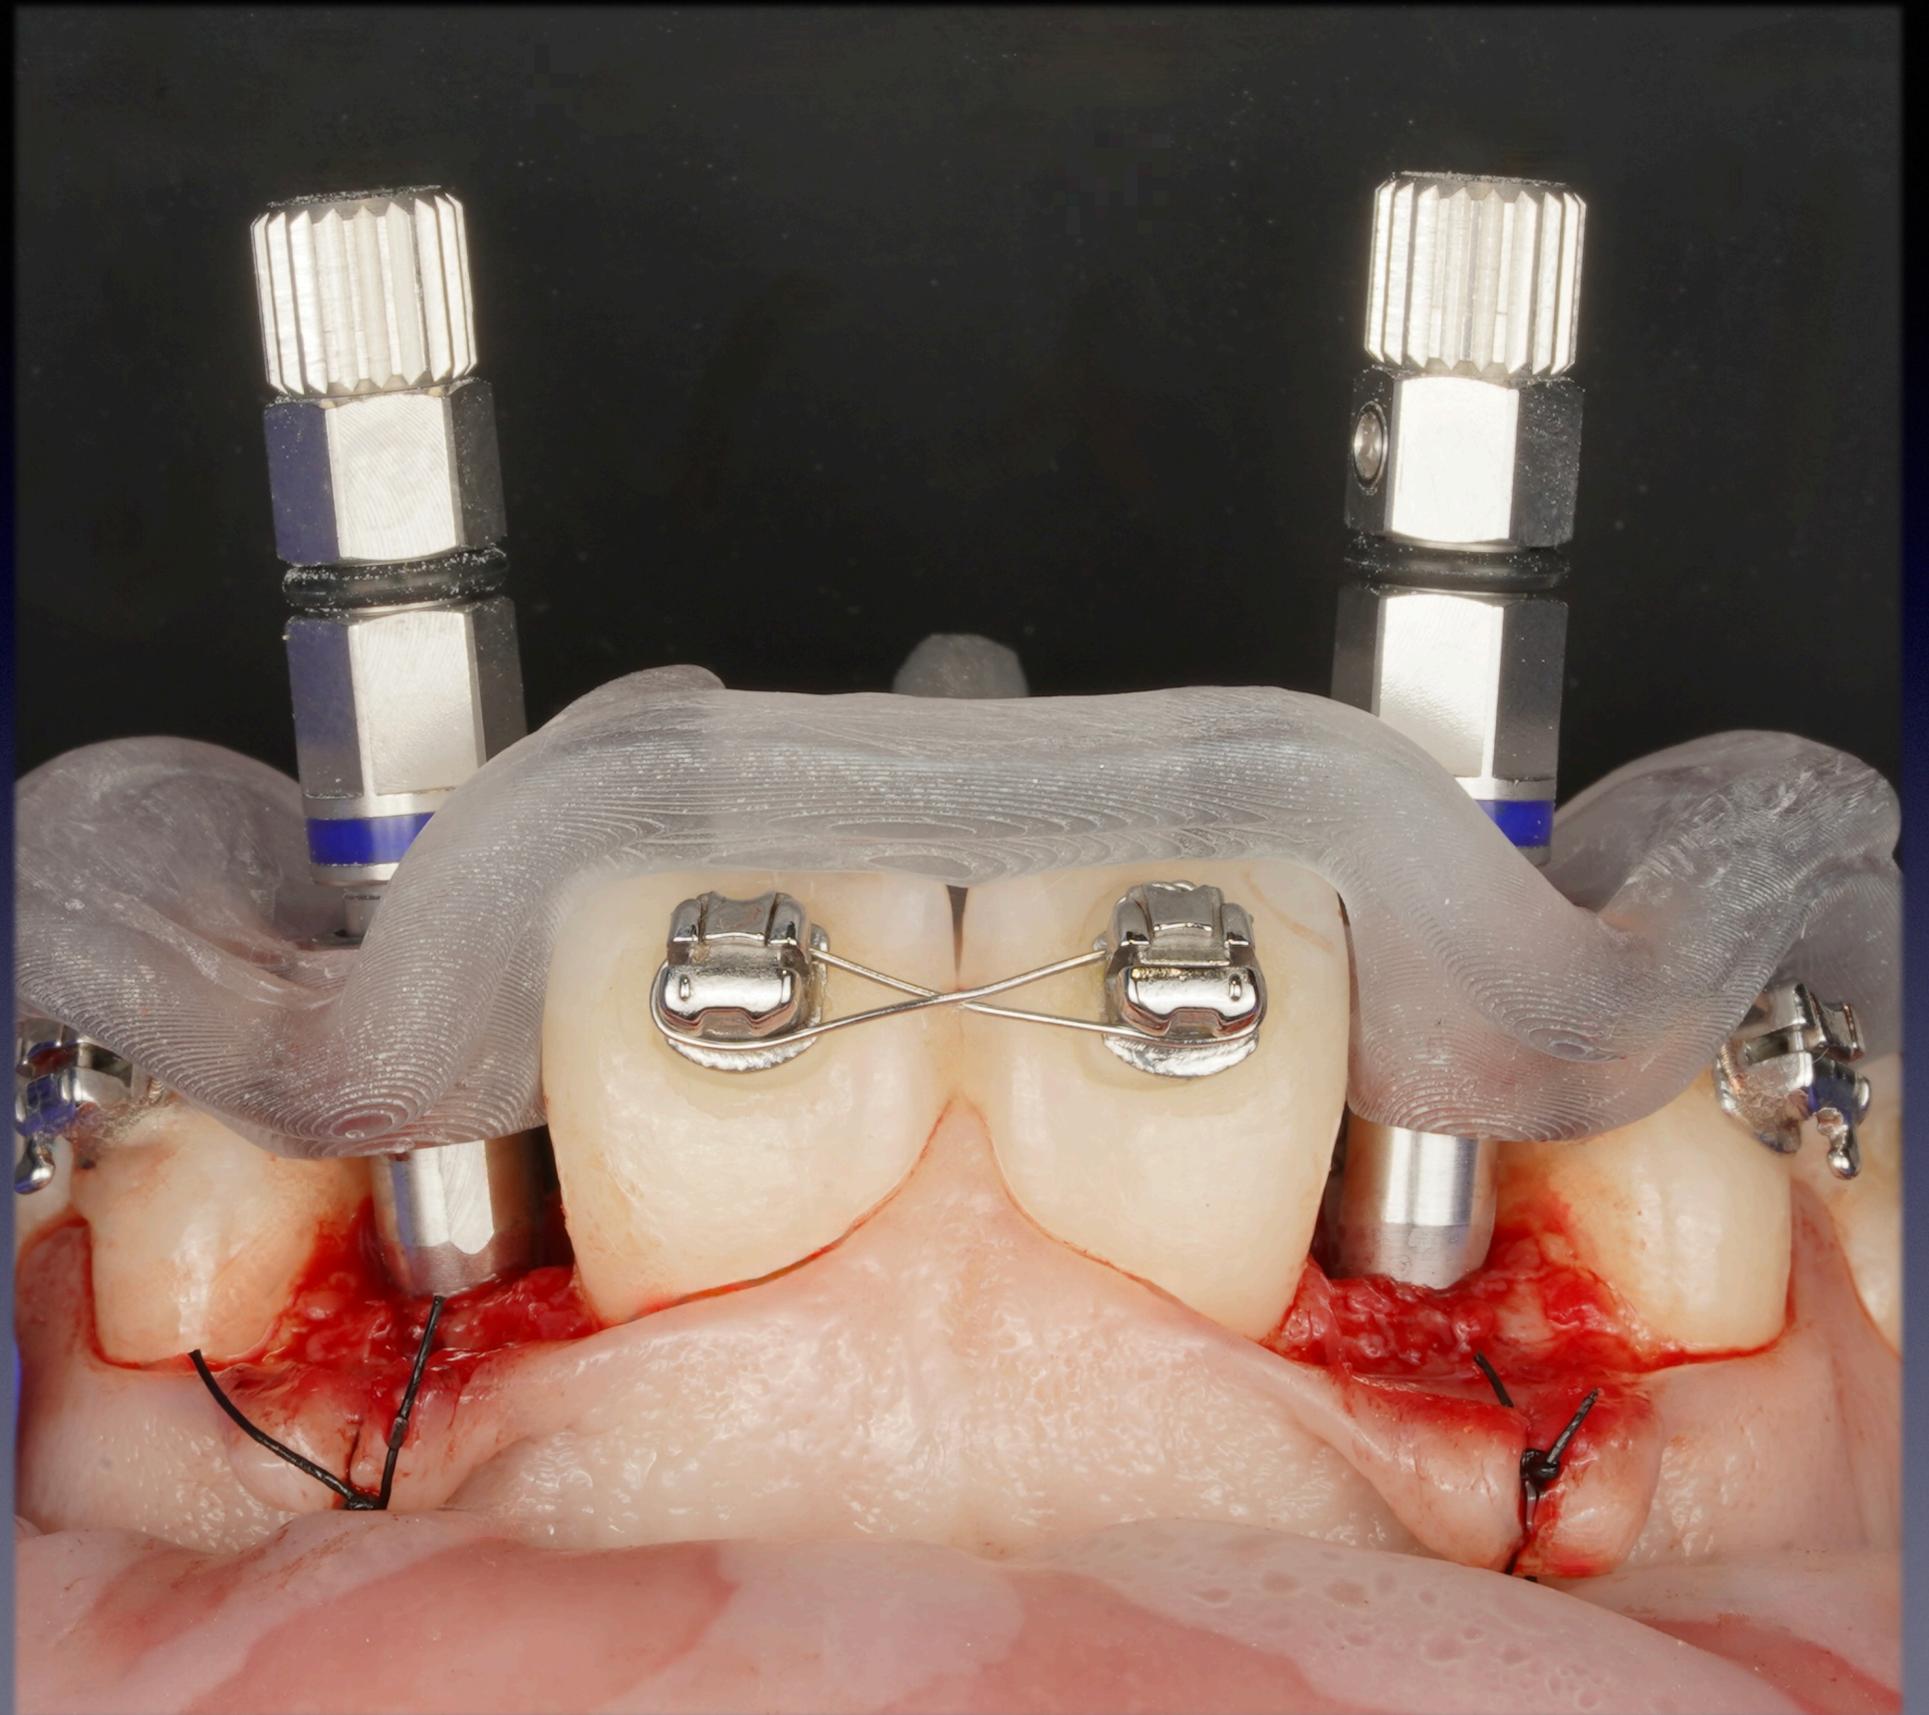

Intervenție chirurgicală - poziționare ghid / Surgical intervention
- surgical guide positioning

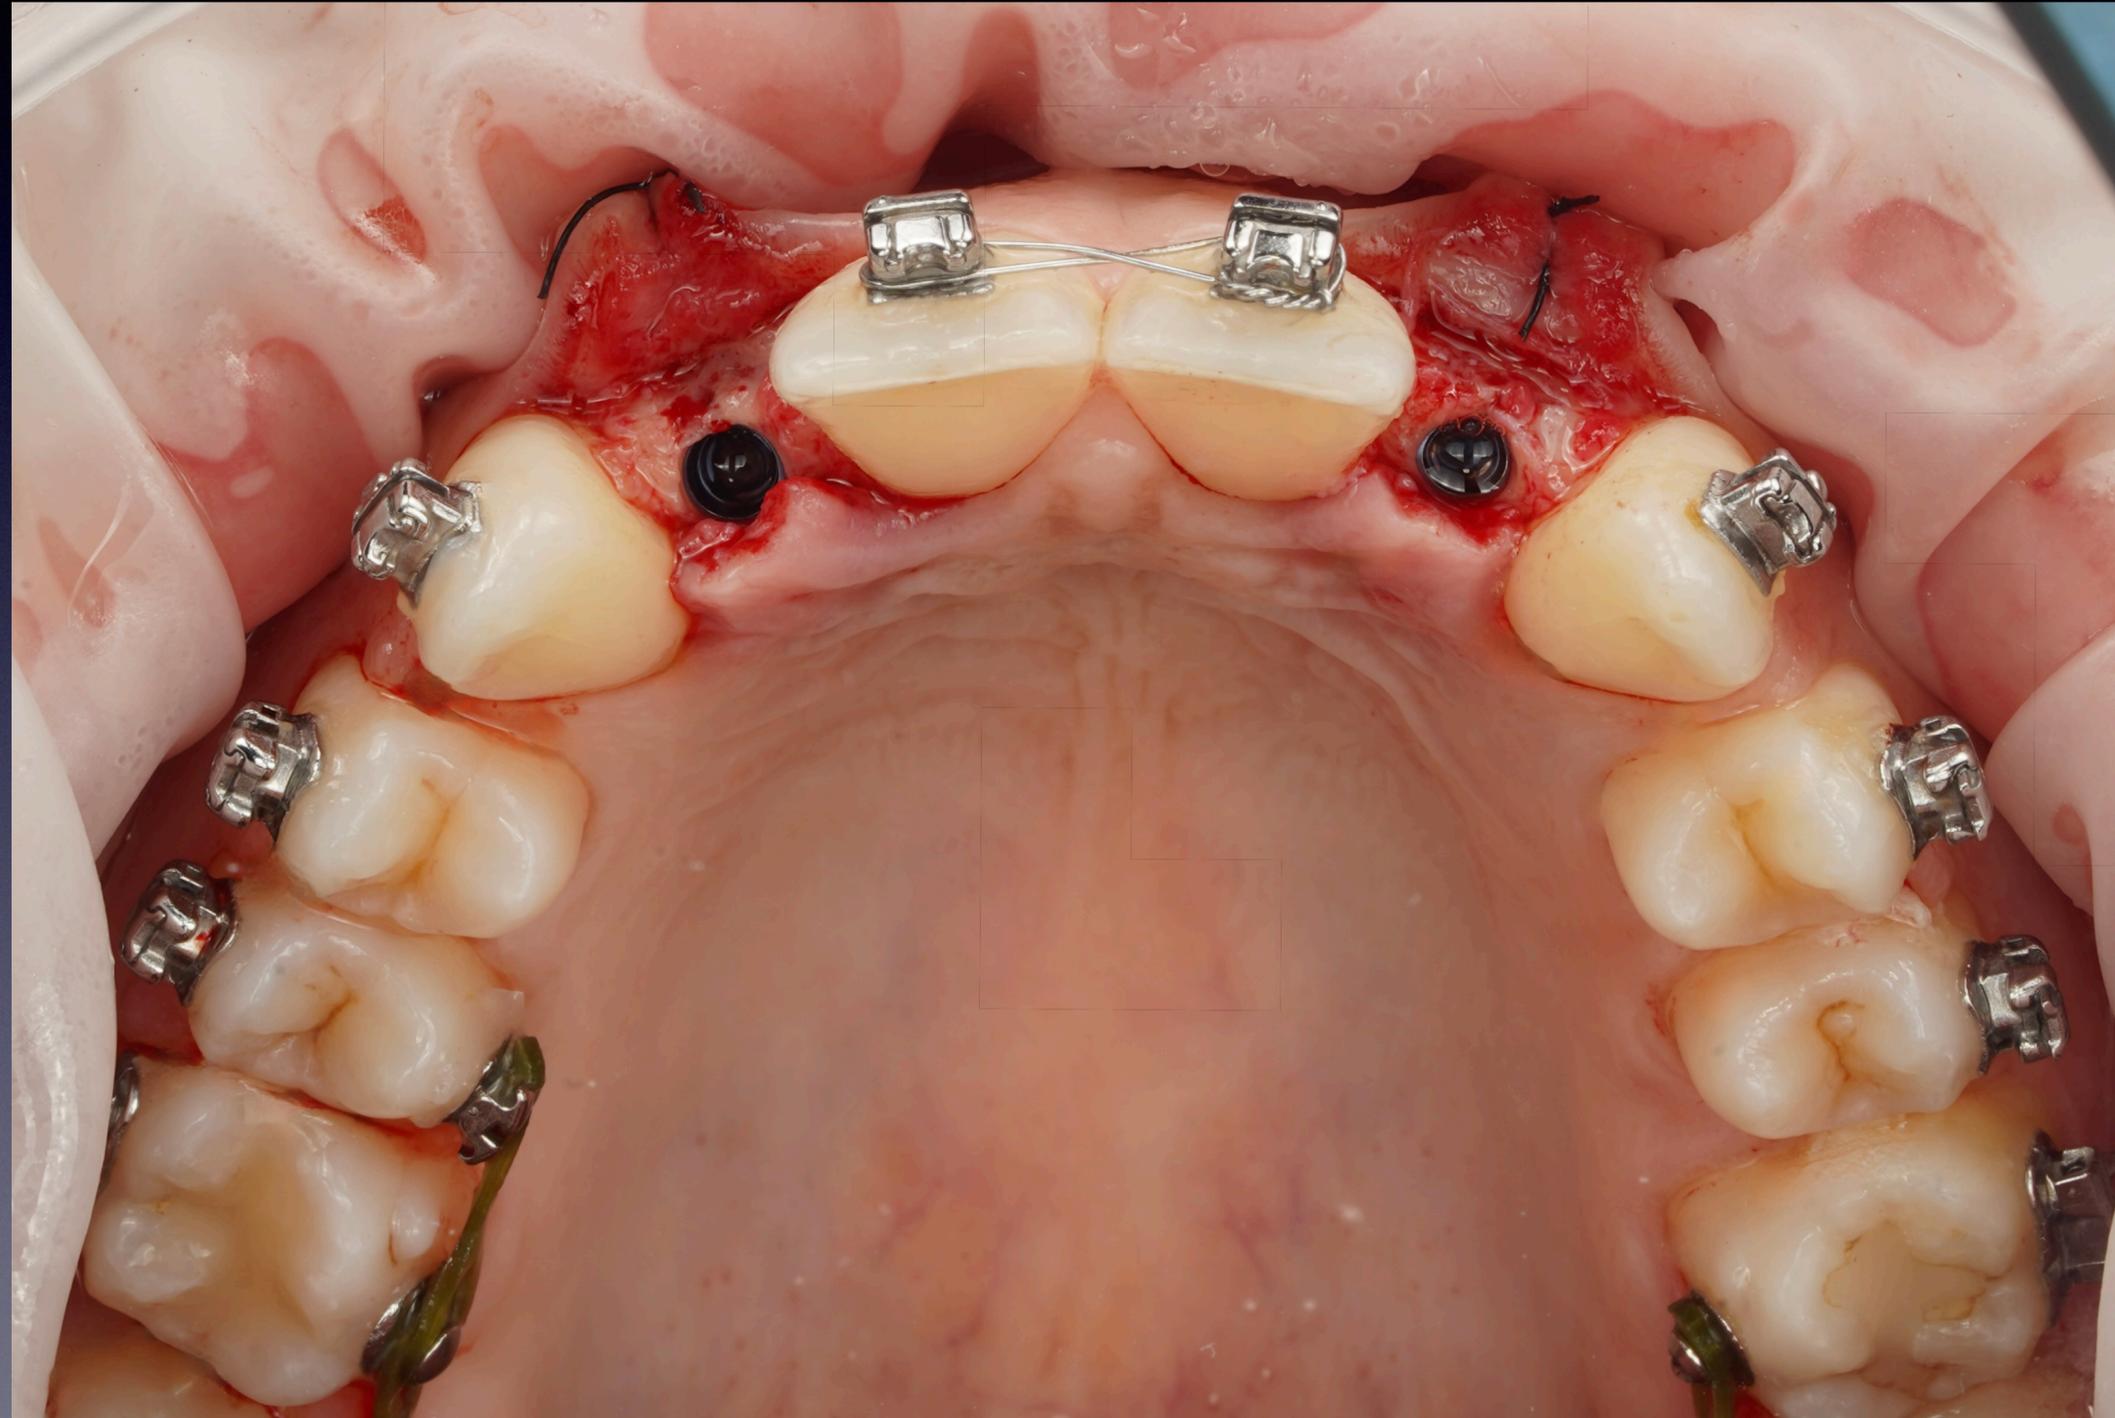

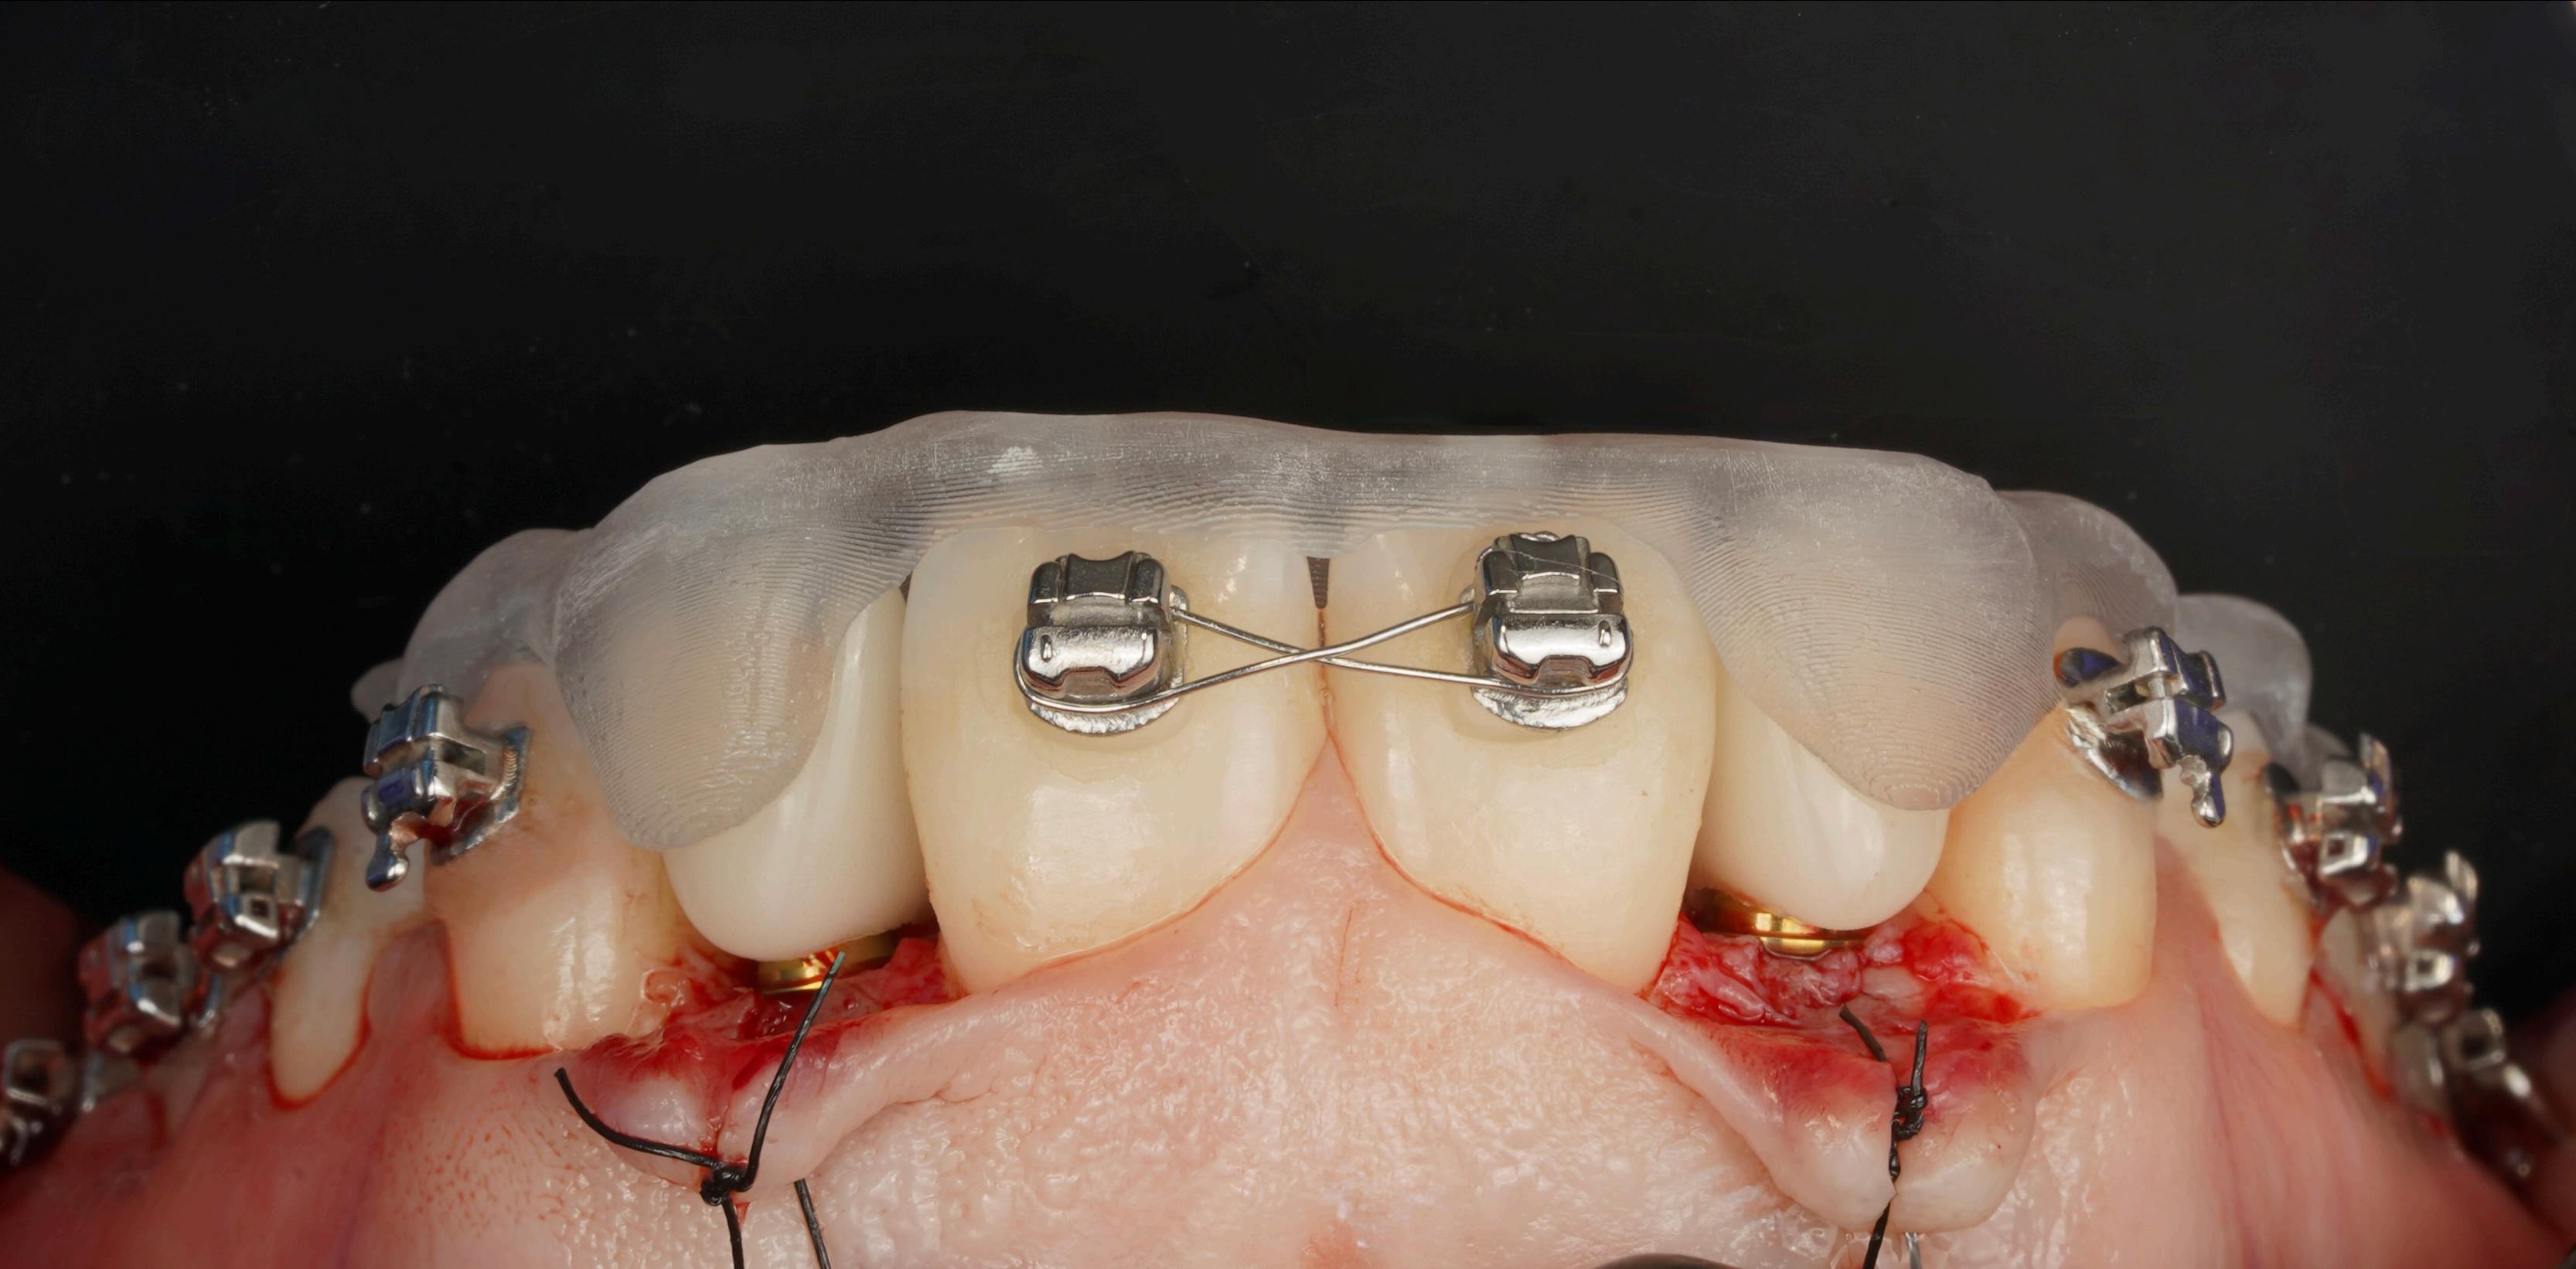

Intervenție
chirurgicală -
osteotomii / Surgical
intervention -
osteotomies

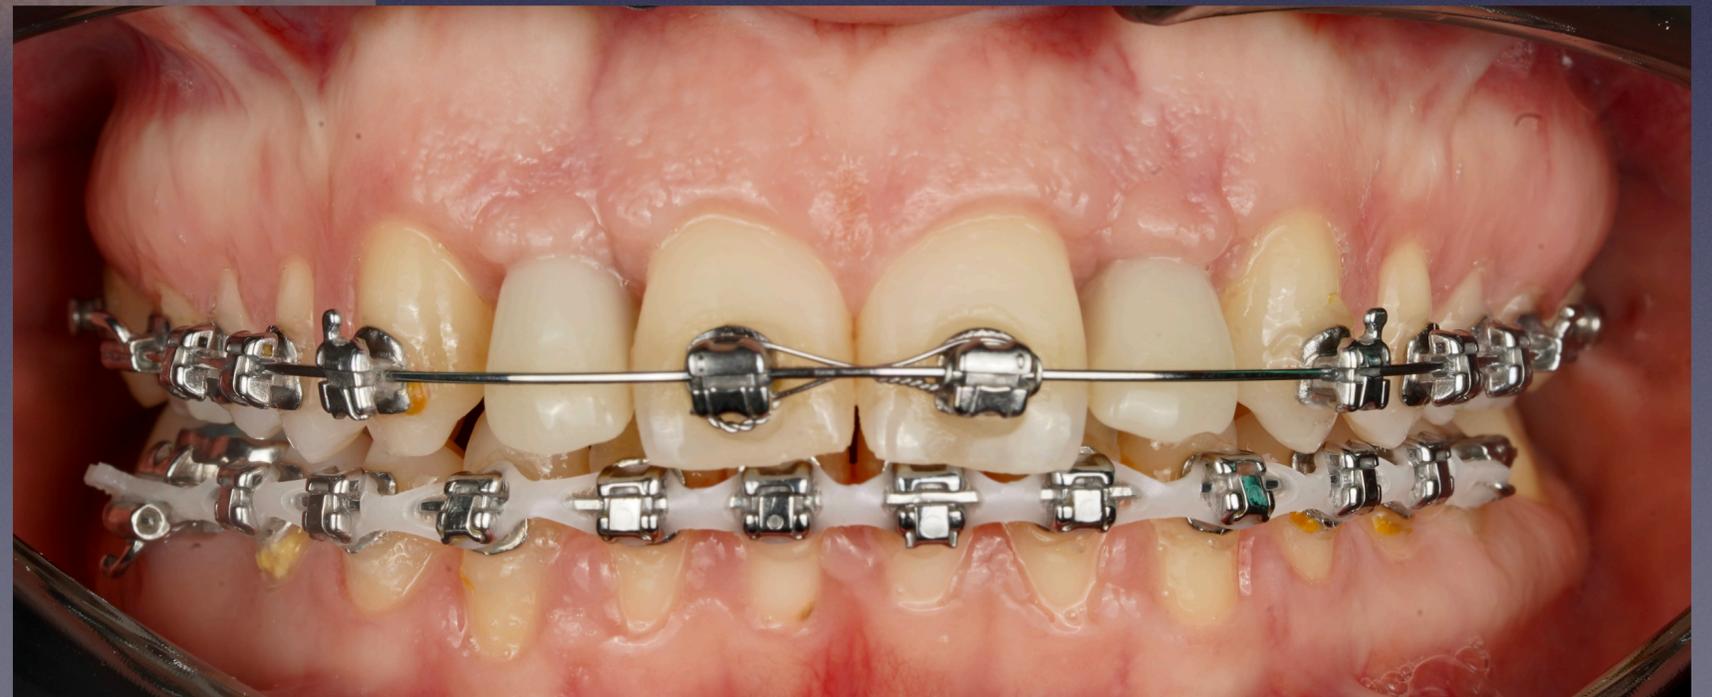

Intervenție chirurgicală - Implanturi inserate / Surgical intervention - inserted implants

Prosthetic guide - provisionals before cementation

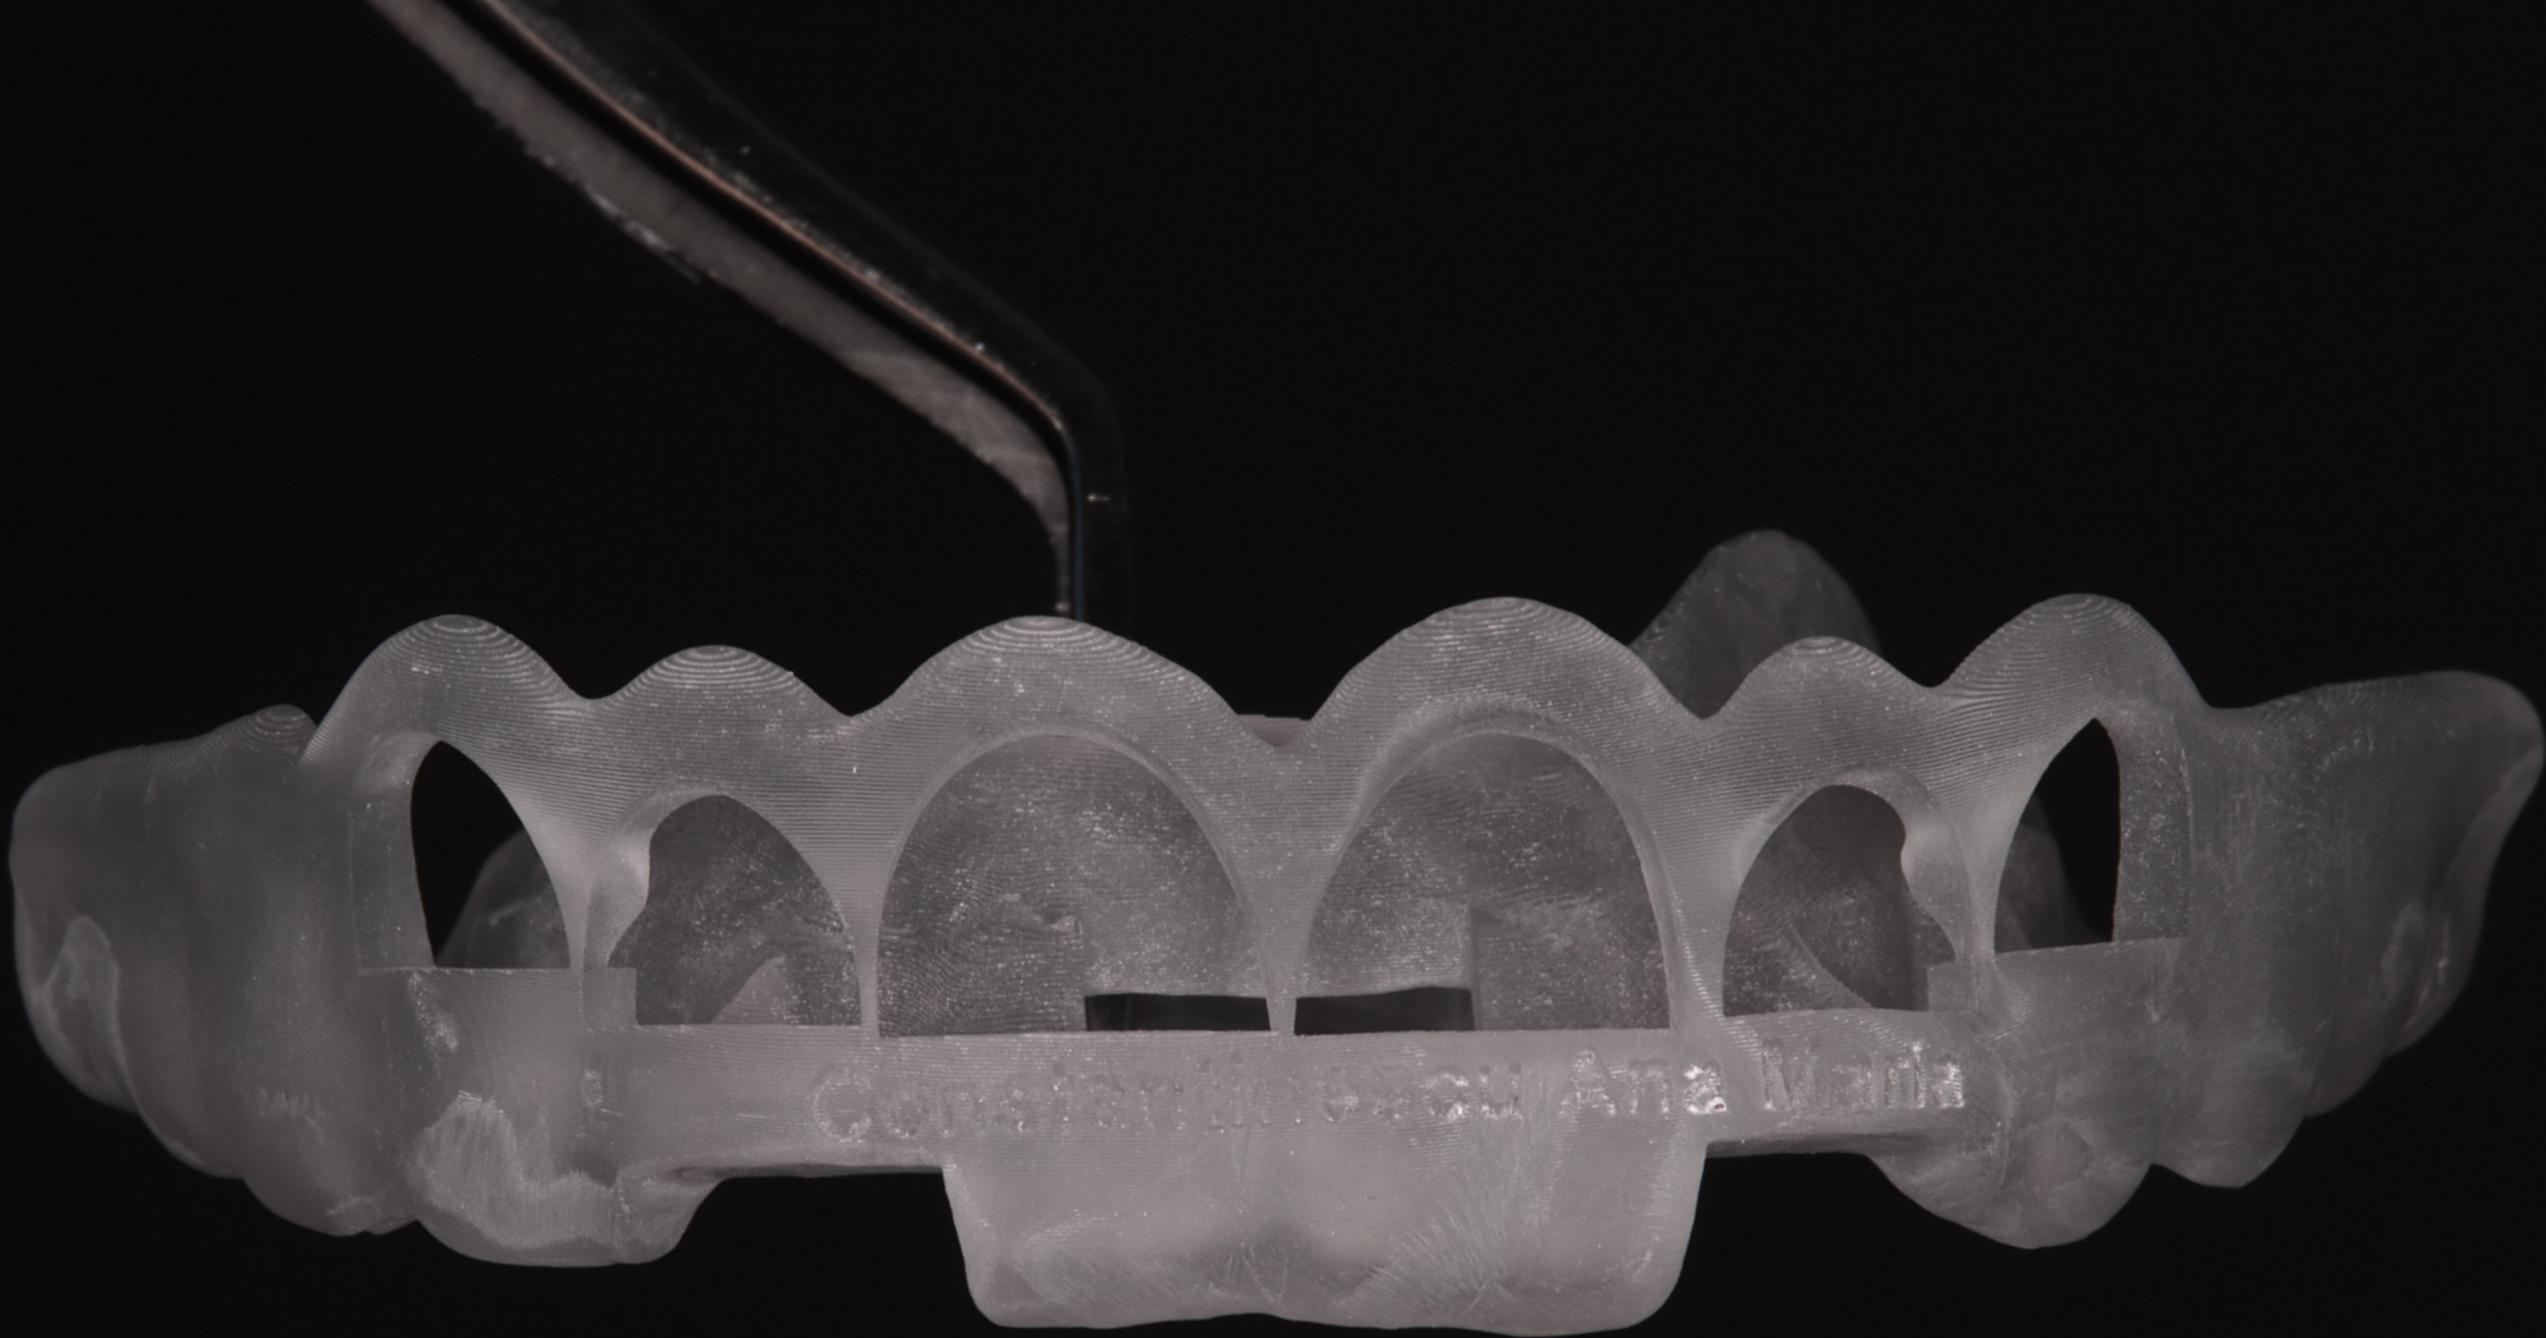

Restaurări provizorii pe implanturi / Provisionals on implants

Îndepărtare ap. ortodontic / Orthodontic
appliance removal

Gingivectomie ghidată front superior / Guided gingivectomy on maxillary front

Constantinescu Ana Maria

Constantinescu Ana Maria

Vindecare post-gingivectomie / Healing after gingivectomy

Îndepartare restaurări provizorii pe implanturi / Removal of provisionals

Conformare gingivală după îndepărtarea provizoriilor
/ Gingival contour after removal of provisionals

Scanare pentru restaurări definitive / Scanning for definitive restorations

Restaurări definitive 1.2, 2.2 /
Definitive restorations 1.2, 2.2

Thank you!
